DeWine signs budget bill with 44 vetoes, simulations accessible

Early in the morning on July 4, Gov. Mike DeWine signed into law the third state operating budget during his time as Ohio governor. The budget, [House Bill 33](#), spends \$191 billion over the next two years on public schools, tax cuts, school vouchers, health and human services, and other areas. In addition to spending, the budget also contains a host of policy changes, including restructuring the Department of Education by renaming it the Department of Education and Workforce (DEW), transferring most of the duties of the State Board of Education to DEW, and creating a cabinet-level director position with two deputies. The full transition to DEW will be effective by December at the latest, but DeWine told reporters this week a transition team is meeting soon.

DeWine's 44 vetoes did not affect any public school district provisions, including the increase in the minimum state share percentage from 5% to 10% – a top priority for Alliance districts – which is now law.

Lawmakers are on now a summer recess until mid-September, around the same time the non-funding provisions of the bill will take effect. Funding in the budget bill, meanwhile, takes immediate effect. Members will receive an opportunity for a full overview of the budget changes at the July 28 legislative committee meeting.

Ex-speaker Householder sentenced to 20 years in prison

Ex-Speaker of the Ohio House **Larry Householder** was sentenced last Friday to 20 years in federal prison by U.S. District Judge for the Southern District of Ohio **Timothy S. Black**. Also receiving a sentence for his role in the bribery and racketeering scandal was former state GOP chairman and lobbyist **Matt Borges** who will serve a 5-year prison term.

Funding simulations available

Projected simulations of school district funding for fiscal year 2024 and 2025 are available at the end of this newsletter. The total biennial increase for K-12 school districts is \$1.54 billion, a 12% increase from FY2023. Meanwhile, the total biennial increase on private school vouchers is \$825.5 million, a 77% increase from FY 2023. Private school vouchers spending represents nearly one-third (29.4%) of the total biennial increase on K-12 education spending.

Heard around the Statehouse

"We'll have an announcement in regards to a director shortly, and it won't be too long. We've already put in place – in anticipation of this budget passing – a transition group. They have been working. They are going to continue to work. So, I'll be meeting with them in the next few days, and we'll get an idea exactly what the timeline is." - Gov. **Mike DeWine**, responding to a question on the status of the newly created Department of Education and Workforce (DEW).

H.B. 33 As Reported by Conference Committee Traditional School District Foundation Aid and Additional Aid Estimates, FY 2024-FY 2025

Estimates are based on enrollment as of the first payment for January 2023 for traditional school districts and valuation and income projections supplied by the departments of Taxation and Education, respectively.
 Projected ADM does not change from FY 2023 to FY 2024 to FY 2025.
 Additional Aid represents special education transportation funds, preschool special education funds, and career awareness and exploration funds.
 Actual aid will be calculated based on actual data and is subject to change.
 The primary purpose of these estimates is to determine a state total obligation. Changes between estimates and actual aid may be significant, especially for individual school districts.
